Your Vote-by-Mail Ballot

Approximately one month before the election, the Department of Elections will mail you a ballot along with a postage-paid return envelope.

To make changes to your voter registration, or to register to vote, please go to the Secretary of State website for a registration form or more information. You can also obtain a voter registration card from the Department of Motor Vehicles (DMV), public libraries, or post offices.

Changes must be postmarked or submitted at least 15 days prior to Election Day to be effective for that election.
